

MULTI-BRANCH & FRANCHISE

ONE BUSINESS. EVERY LOCATION. TOTAL CONTROL.

Manage stores, staff, stock, pricing and performance from one central platform - with real-time visibility across every location.

RESTAURANT GROUPS • RETAIL GROUPS • FRANCHISES

CENTRALISED CONTROL. REAL-TIME VISIBILITY.

Run every branch consistently while making faster, better-informed decisions.

EVERYTHING YOU NEED TO CONTROL AND SCALE EVERY LOCATION

CENTRAL BUSINESS CONTROL

- Manage every branch from one back office
- Update products, pricing and menus centrally
- Roll out changes consistently

LIVE BRANCH PERFORMANCE

- Monitor sales and trends in real time
- Compare stores or drill into one location
- Identify opportunities and problem areas

CROSS-LOCATION INVENTORY

- View stock levels across every branch
- Transfer stock between locations
- Reduce shortages, overstocking and variances

STAFF & ACCESS CONTROL

- Assign roles and permissions by branch
- Protect sensitive business information
- Monitor users and performance

STANDARDISED OPERATIONS

- Control approved products, prices and promotions
- Keep menus and processes consistent
- Maintain franchise standards as you grow

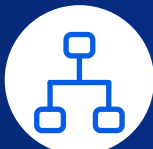

SCALABLE FRANCHISE GROWTH

- Add new locations without changing platforms
- Consolidate reporting across the group
- Grow with reliable local support

IDEAL FOR

Restaurant groups, retail chains, franchise networks and multi-site businesses
